ORDER

This matter comes before the Court on plaintiff's motion for expedited discovery and an extension of time to respond to defendants' motion to dismiss. On July 19, 2000, defendants filed a motion to dismiss plaintiff's complaint based on lack of personal jurisdiction. Plaintiff now seeks to conduct expedited discovery limited to jurisdictional and venue issues. More specifically, plaintiff would like to propound written discovery on defendants and take the deposition of defendants' corporate designees in order to investigate defendants' contacts with the state of Missouri. Plaintiff also requests that the Court shorten the length of time defendants have to respond or to file objections to written discovery. Neither defendant filed a response in opposition to plaintiff's motion.

However, because plaintiff's motion did not include specific timelines for conducting the requested discovery, the Court will impose the following deadlines to ensure the expeditious

briefing of the motion to dismiss now pending before it. Accordingly,

IT IS HEREBY ORDERED that plaintiff's motion for expedited discovery and an extension of time to respond to defendants' motion to dismiss [Doc. #10] is granted in part as follows. The expedited discovery requested by plaintiff will proceed on the following timeline:

1. Plaintiff must propound its written discovery requests on defendants no later than August 28, 2000.
2. Defendants have ten (10) days in which to file objections to plaintiff's written discovery requests. If no objections are filed, defendants have twenty (20) days in which to respond to plaintiff's written discovery requests.
3. Plaintiff shall have all depositions completed no later than September 29, 2000.

IT IS FURTHER ORDERED that plaintiff's response to defendants' motion to dismiss for lack of personal jurisdiction must be served upon defendants no later than October 9, 2000. The completed motion package must be filed no later than October 18, 2000.

Dated this 17th day of August, 2000.
